

## Music tuition

We are able to offer a variety of music tuition opportunities:

- **Guitars** - Mr. Welch teaches acoustic and electric guitars on Thursdays. Lessons are  $\frac{1}{2}$  hour in groups of two / three children, allowing for detailed attention. The charge is £5 per session.
- **Brass and woodwind** - these lessons are organised privately with "Music for Schools". More details are available on request from the office. Currently seven children are learning a wide variety of instruments: clarinet, cornet & saxophone
